

SHS Voucher Program

Senior High School Voucher Program (SHS VP) is a program of financial assistance wherein subsidies in the form of vouchers are provided to qualified SHS learners in participating private or non-DepEd public SHSs.

The SHS VP provides financial aid to junior high school graduates so they can pursue their preferred senior high school program. It enables them to enrol in any SHS at any institution with less financial strain from the high cost of tuition and other out-of-pocket expenses.
